WHAT'S INSIDE

- Compiled from submissions by Masons across the state
- Contains a sampling of historic sites from across the NW, W, SW, Central, NE, E, and SE regions of the state so you can start with the sites closest to you
- A pandemic-friendly opportunity to take a driving tour of sites of importance in the 200 years of Missouri's Masonic history
- Contains notes pages for you to record your visit date, members of your party, and other notable details
- Don't forget to jot down thoughts on other sites you run across that could be included in our next edition!
- Spiral-bound format is great for ease of notetaking; an easy item to throw in the car or the saddlebag on your motorcycle for a sightseeing trip
- A great addition to a lodge library or your personal Masonic library collection
