MASONIC LICENSE PLATE REVENUE

November 1, 2021

It is a regulation set forth by the Missouri Department of Transportation that the Grand Lodge of Missouri must designate the charity to which funds from the Masonic license plates will benefit.

Likewise, it is the responsibility of the Grand Master to assign the charity that is to be the recipient of Masonic License Plate funds on behalf of the Grand Lodge of Missouri.

Therefore, MWB Dr. Ty G. Treutelaar, Grand Master of the Grand Lodge of Ancient, Free and Accepted Masons of the State of Missouri has designated the funds received from Masonic License Plates revenue will be assigned to the Missouri Masonic Childrens Foundation.

Fraternally,

Jon B. Broyles, P.G.M.
Grand Secretary
