It is a regulation set forth by the Missouri Department of Transportation that the Grand Lodge of Missouri must designate the charity to which funds from the Masonic license plates will benefit.

Likewise, it is the responsibility of the Grand Master to assign the charity that is to be the recipient of Masonic License Plate funds on behalf of the Grand Lodge of Missouri.

Therefore, MWB Charles F. Wiegert, Grand Master of the Grand Lodge of Ancient, Free and Accepted Masons of the State of Missouri has designated the funds received from Masonic License Plates revenue will be assigned to the Masonic Scholarship Fund of Missouri.

Fraternally,

Ty G. Treutelaar, P.G.M.
Grand Secretary
